Germ Eliminator

Germ Eliminator™—Personal Protection Against All Germs Stop Disease in Five Seconds Flat!

Protect your family from invisible germs found on toilet seats, public water fountains, ATM touch screens, computer keyboards—virtually everywhere! The Germ Eliminator will help you avoid catching colds, flu, and other infections and illnesses. This amazing product harnesses the germicidal effect of shortwave ultraviolet (UV) light, a proven and effective method of disinfection currently used in hospitals and clean air handling equipment. The UV power of the Germ Eliminator kills virtually all germs, including Salmonella, E. Coli, Streptococcus, Staphylococcus, Hepatitis, and many other bacteria and viruses that cause infectious diseases. Simply turn the unit on and scan slowly over nonporous surfaces for 5–10 seconds. Avoid contact with skin and eyes, and keep out of reach of children. Lightweight unit measures 6.5” x 3.5” x .75” and requires 4 “AA” batteries (not included). With D. C. input jack, adapter not included.

Green Iguana

Lifelike Green Iguana

Looks So Real You’ll Be Tempted to Feed It!

Startle your friends with this realistic green iguana—he can live anywhere you do without making a mess! Iguanas are the most popular lizard pets—and yours is easy to care for. His mouth is wide open, ready to swallow anything in his path. His claws are spread and ready to climb. Authentic coloring and feel—perch him in your garden or beside your pool. Almost two pounds, and 33” long when its tail is stretched out.
